APPLICATION

Choice Room Service Carts are designed for transporting trays in units to provide room service style meals. The all stainless steel cart features fixed tray slides with 5-5/8" spacing. This cart will accommodate 1-tray per slide for 14"x18", 15"x 20" and small room service trays.

SPECIFICATIONS

Alluserv room service carts are fabricated with 1" square tubing frame with welded 18-gauge pre-formed side panels/tray slides. The top, bottom and single panel door are 18-gauge stainless steel. The door comes standard with a recessed door pull and features magnets and a transport latch to keep the door closed. The door has a 270° door swing with magnets to keep the door in an opened position. Casters are 6" in diameter, with 2 fixed and 2 swivel with brakes, and wheels will be 2" rounded with soft tread to ensure a smooth and quiet ride for carpet or tile. NSF listed.
