- Corner bumpers
- Wrap around bumpers
- Drains for easy cleaning capabilities
- Top rails (for 16 capacity size and under)
- Tow hitch package available

## APPLICATION

The Alluserv tray delivery cart is designed for transportation of patient meals to decentralized locations. The all stainless construction cart features fixed tray sides with 5-1/4" tray spacing that accommodates two each 14"x18", 15"x20" or room service trays per side.

## SPECIFICATIONS

The Alluserv tray cart has a 1" thick 18-gauge stainless steel tubular frame with welded, 18-gauge, pre-formed side panels/tray slides. Top, bottom and single panel door are 18-gauge stainless steel. Door has recessed door pull with a top mounted heavy-duty drop door latch. The door has a 270° swing.

Casters are 6" in diameter, with 2 fixed and 2 swivel with brakes, and are 2" rounded with soft tread to ensure a smooth and quiet ride for carpet or tile.
