## APPLICATION

The Evolution Series counters can support any tray line layout and are versatile enough to use in any format.

## SPECIFICATIONS

The Solid Top Counter is constructed with heavy-duty gauge stainless steel and is equipped with stainless steel counter tops. Tops have square turndown on all sides with fully welded, ground and polished corners. Interior compartment has a stainless steel under shelf. Liner of interior of storage compartment liner has coved corners. The front panels will be easily removable and replaceable, allowing front service access. The body will be reinforced with vertical galvanized steel channel supports. Casters are 5" all-swivel with brake, mounted to stainless steel dolly channels.
